Dear Wando Chorus Members and Families:

The choral program at Wando High School continues to be a source of great pride for the Town of Mount Pleasant and the Charleston County School District. This program has a rich tradition of excellence not only in the arts but in academics as well. We are excited to announce Ms. Stephanie Kinney as our new Associate Choral Director.

Ms. Kinney is a recent graduate of Reinhardt University (2019) located in Waleska, Georgia, where she received dual Bachelor's degrees in Music Education and Sacred Music. While at Reinhardt, she participated in the Concert Choir, Chorale, the annual Opera Chorus as well as being a member of Reinhardt's Women's A Capella group, the 'Hardt Breakers,' where she served as a main music director in the ensemble. Ms. Kinney has worked with many youth ensembles including spending her Monday nights assisting the Spivey Hall Children's and Tour Choirs, where she helped prepare the tour choir for multiple ACDA performances, and Sunday nights assisting the Shallowford Presbyterian Tour Choir for many years. In addition to vocal training since the age of 14, she has 12 years of piano experience. Ms. Kinney is excited to be joining the Wando Chorus Team and we are looking forward to having her at Wando!

Without the support of our Wando chorus parents, it would be impossible to run such a successful program. The choral board works tirelessly to coordinate every non-musical aspect of the program. The fundraising and volunteer opportunities they facilitate are critical for the success of the program. I want to extend my thanks to the many parents who provide leadership and donate their time and financial support to make such wonderful opportunities available to our students.

I look forward to another successful, enjoyable year with your support of our Wando chorus students and their Choral Director and Associate Choral Directors, Mr. Wilkinson, Ms. Keene, and Ms. Kinney.

Sincerely,

Sherry M. Eppelsheimer
Principal

Dear Wando Chorus Parents and Students,

Welcome to the 2021-2022 school year! We are very excited about the upcoming year and the potential for incredible music-making!

Now more than ever, we have information to justify why we participate in this demanding, yet rewarding, activity. Experts have concluded that the study of music helps with spatial reasoning, test taking, and overall quality of life! Factor in social skills, emotional development, leadership training, group interaction, aesthetic perception, music-making, and the discipline of being in a Chorus program, and I don't know why anyone would not want to be involved in a successful Chorus program like the one at our school. It is our goal to provide our students with a well-rounded Chorus music education that will serve them for the rest of their lives. We realize that we are not only training-up young musicians, but young men and women as well. The ultimate goal is a lifelong understanding and appreciation for high-quality music and music-making!

Everyone should read the information in the handbook, even veterans. Some of the information has changed, so make sure you're informed. For those new to the program, this is the "Chorus Bible," which keeps us running smoothly and efficiently. Most questions can be answered by consulting *the handbook*, and policies will be adjusted from year to year as the need arises to clarify issues within the program. It is our hope that the information contained in this handbook will both inform and inspire! Please read the portion "How Parents Can Help" to gain important insights. Students need to know we think that what they do is important. You will quickly find that the chorus is truly a family in and of itself.

We trust that the contents of this handbook will answer most, if not all, of your questions about the upcoming year. Please read all of the information, and sign the form in the back of the book and return it to the directors by 9/1/21. We are honored to be your chorus directors and we are looking forward to a great year!

Thank you so much for your support of the Wando Chorus program!

Sincerely,

Eric Wilkinson

The Wando Chorus Program

The chorus program at Wando High School is one of the strongest in the state of South Carolina and the Southeast. We consistently have one of the top numbers of students making the All-State Chorus and annually place over 70 students into the Charleston All-County Chorus.

Our program is known locally, nationally, and internationally. In March of 2019 the choir traveled to the island of O’ahu in Hawaii to perform at Pearl Harbor. In June 2016 and 2013, we traveled to Italy for a ten-day performance tour. The choir sang at mass in St. Peter’s Basilica, Vatican City and performed in churches in Venice, Florence and Rome. In 2014, Wando Bella Voce was invited to perform at the American Choral Directors Association Southern Division Convention in Jacksonville, FL. This is one of the highest honors a high school choir program can receive. In 2012 and 2014, Wando Chorus traveled to Orlando, FL to perform in Festival Disney. Both times, the chorus earned “Best in Class,” placed in the top three choirs, and earned Superiors for their performance. In 2010, we traveled to New York City for two performances in Carnegie Hall. The chorus performed a solo concert and premiered a new choral work, “Sea Fever” by David Brunner. The very same day, the chorus sang the “Gloria” by composer John Rutter. In years past, the chorus has participated in international choral festivals in London, Vienna, and Prague. The chorus has also earned gold medals in major choral festivals held in San Francisco, New York and Chicago.

We strive to provide a well-rounded music education for all chorus students. A successful chorus music education program has several necessary components, which contribute to the success of all students. It is our goal to:

1. Provide a comprehensive music literacy program.
2. Develop excellent small and large ensemble musicianship skills.
3. Teach information about music theory and music history.
4. Develop student leadership and teamwork skills.
5. Encourage the development of life skills, organizational habits and practice skills.
6. Instill a love of chorus music that will last a lifetime.

In a chorus, EVERY student is of equal importance. No one student is of any more or any less importance than any other student. Every student has unique, important gifts, which contribute to the whole. We are not a collection of soloists, but a group of musicians each striving for the same goal: excellence in choral singing.

We all stand on the shoulders of those who came before us, and the hundreds of Wando Chorus alumni and alumni parents who have an expectation of excellence. The Wando Chorus also has a reputation of excellence in the East Cooper community, in greater Charleston, and indeed, in the state and region. University Choirs regularly travel from all over the United States to recruit our students.

Rehearsals/Class Procedures & Policies

- 1. ARRIVE ON TIME AND BE PREPARED TO START CLASS.** Students should pick up their music folder and classroom supplies and read the board in the front of the room for the class rehearsal plan. All book bags should be stored out of the way. When the tardy bell rings, students will be standing in front of their assigned chair humming a “G” pitch and be prepared to begin rehearsal. Students will remain in their assigned seat for the duration of the rehearsal unless otherwise directed or given permission to be out of their seat.

Consequence: The school tardy policy will be enforced.

- 2. ALWAYS** have your music and a **pencil** in class. Mark your music appropriately during rehearsal. Pay attention to the director’s comments and make markings in your music without being asked. This will help you learn the music much faster.

Consequence: You will lose ten points from your daily grade for that day.

- 3. NO TALKING DURING REHEARSAL.** Whether the director is standing or sitting at the piano, students should follow their music, and pay attention, even while their section is not rehearsing.

Consequence: First time-10 points deducted from daily grade. Second time-20 minute detention, Third time-45 minute detention.

4. NOT ALLOWED IN CLASSROOM:

- A. Gum, Food, Drinks, Candy or other consumables.
- B. Putting on make-up, brushing hair and other personal grooming.
- C. Horseplay, wrestling, or goofing off.

Consequence: First time-10 points deducted from daily grade. Second time-20 minute detention, Third time-45 minute detention.

- B. Directors' offices. No student will be allowed in the directors' offices without permission.
- C. Unsupervised Chorus room. Students may not be in the Chorus room without a teacher, administrator, or substitute. The Chorus room will be closed during lunch and after school, unless otherwise notified.
- D. **CELL PHONE USE!** **Consequence:** 1. verbal warning; 2. confiscated/given back at the end of class; 3. confiscated/given back at the end of the day; 4. confiscated/turned into administration

- 6. CLEAN UP:** Put choir supplies back where they belong. This includes your own folder, equipment, chairs, and office supplies. Pick up your own trash. We need to keep our own room as clean as possible.

Consequence: First time-10 points deducted from daily grade- Second time-20 minute detention, Third time-45 minute detention.

- 7. RESTROOM POLICY:** Using the restroom or getting water during class/rehearsal is a distraction to the entire class. Students should use the restroom before or after class. If students absolutely need to use the restroom during rehearsal, they will ask the directors’ permission at an appropriate time. When given permission, the student will sign out/in using the designated form. Each student will be allowed to go to the restroom up to three times per semester.

Consequence: You must make up the lost class time before or after school.

8. A STUDENT WHO CANNOT CONFORM TO THE PROCEDURES AND POLICIES OF THE CHORUS WILL LOSE THE PRIVILEGE TO PERFORM OR WILL BE REMOVED FROM THE CHORUS.

Wando Chorus Code of Conduct

The Importance of Attitude

The greatest single factor that will determine the success of any individual or organization is **attitude**. The kind of person you are is an individual choice, and how you feel about something is one of the few actual independent choices you have in life. It takes intense dedication to reach goals. Students develop the discipline of practicing fundamentals daily. The right attitude must be present along with sincerity, concentration, and dedication as the basic foundations. Such an attitude makes an artistic performance inevitable and is the difference between a winning organization and a mediocre group. The chorus can do much for you. Make the most of it in every rehearsal and performance.

The Importance of Discipline and Academics

Because of the nature of the organization, chorus discipline must be strict! Chorus students and parents must believe in the ideals, principals, and philosophy of the organization. Each member must always be aware of good behavior and think for him-or herself. Any misconduct casts a bad light on the school, community, and chorus program. **Any member who discredits the organization by his or her conduct or actions in chorus, in another class, or on a trip shall be subject to dismissal from the chorus program or may lose a privilege within the program.** This may include the chance to go on a spring trip. This decision will be at the directors' discretion. **Students are also expected to be passing all their classes in order to perform in evening concerts. Any student that is not passing his/her classes and/or makes no effort to improve his/her academic standing may be asked to sit out the performance.**

We cannot compromise participation in choir activities with substance abuse or blatant disregard for school or choir policy. **The following consequences are in reference to program membership and are in addition to the school policy.** Infractions that are against the law are more serious in nature and will be handled accordingly. During an exclusion period, students will not participate in any chorus activity, pending litigation.

Tobacco/E-cig/Vape violations:

1st offense: Parent Conference & Sit out a performance
2nd offense: Dismissal for a semester
3rd offense: Dismissal from the program

Cyber Bullying/Inappropriate cyber behavior violations:

1st offense: Parent Conference & Sit out a performance
2nd offense: Dismissal for a semester
3rd offense: Dismissal from the program

Drug/Alcohol violations:

1st offense: Dismissal for a semester
2nd offense: Dismissal from the program

DUI:

1st offense: Dismissal for a year
2nd offense: Dismissal from the program

Other arrests:

1st offense: Dismissal for a year
2nd offense: Dismissal from the program

OSS Suspension:

1st offense: School consequence
2nd offense: Dismissal for a semester
3rd offense: Dismissal from the program for the year

Expulsion:

1st offense: Dismissal for a year
2nd offense: Dismissal from the program

Students' Responsibility to the Chorus

As members of this organization, you have a great deal of responsibility. These expectations coordinate with the privileges, rewards, and duties of the chorus program.

To Ourselves

You have the primary responsibility of developing your own abilities. There are many life lessons and skills that you will learn through the study and performance of choral music. The benefits of the individual practice and private lessons can never be overestimated. What you put into it is what you will get out of it. The directors are always available for your guidance and encouragement, just ask!

To the School

The school district provides us with the resources for rehearsals and performances. The chorus booster club also provides supplies, music, fundraisers, volunteers and a support network, both financially and philosophically. We are proud to be Wando Warriors and have the responsibility to be positive ambassadors and provide the best possible services to our community.

To Music

Music has always been a part of our culture. We must take what we have and use it for the betterment of that culture. Choral singing has been around for hundreds of years and it is an art form that expresses much of the human condition. It is our desire to continue the art of great singing into the next generation. When it comes to great singing the notes, rhythms, and words are just the beginning. We expect you to open your heart and mind to the music we are performing. Use your imagination to consider deeper meanings of the text and how we can create beauty in our performance. No one expects you to be an opera star, only to do the very best you can. The joy of music be discovered and created.

To Each Other

We must always do what is best for the welfare of the group. There can be no selfish acts solely for the benefit of the individual. Respect each other. If there are conflicts, find a way to resolve them. Never insult another chorus member's integrity. Treat other students like you want to be treated.

Practice

As with any activity, you get out of it what you put into it. Chorus will not be fun unless you practice. There are many values in the study of music as a discipline that transfer to other areas of life. Although this will not immediately happen, persistent practice will lead to enthusiastic, driven practice. Remember: "perfect practice makes perfect!"

Here is a suggested plan of study:

- Pick a set time each day
- Find a room with good acoustics
- Use our daily warm-up and think "tone"
- Increase endurance (15 minutes of full singing)
- Review all scales and tonal pitch exercises
- Increase range (highest note with good tone)
- Practice sight-reading and solfege tonal patterns
- Practice the selected repertoire for the upcoming concert
- Memorize the selected repertoire for the upcoming concert

Wando Chorus Culture

In every program there is an established culture of the way things work. This is “how we do things” in the Wando Chorus program.

Expectations

- Be on time to all rehearsals and performances. **Early is on time—on time is late!**
- Upon entering the rehearsal setting, get your music and pencil, and go directly to your seat.
- When the director steps to the front or asks for your attention, all talking should cease.
- Come to the rehearsal with a good attitude.
- Make a real effort to improve on a daily basis, and establish a good practice routine.
- At the end of rehearsal, put all materials in their proper place.
- Maintain a strong academic standing in all course work. Performance privileges may be suspended if a student is failing other classes.
- Assume responsibility for your own actions. Admit when you are wrong.
- Have proper respect for yourself, other chorus members, and those in authority.
- Read and perform music with insight-have musical expectations.

Choir Room Procedures

Sectionals: Work fast, focus. Don’t socialize. Come back to class when done.

Before class: Get your folder, pencil, white board & supplies, read the front board.

After class: Put away all materials and clean up the risers.

Entering directors’ offices: Knock for permission to enter.

Morning questions: Greet adults with “Good morning” before blurting out questions.

Music pass-out: Bring your folder and scan the barcode. Stay in line. Keep quiet.

Music return: Collect by row, by piece, turn into the blue plastic crate “Music to be scanned.”

Practice rooms: Do not bring food in the practice rooms. Do not bang on the piano!

Questions in rehearsal: Raise your hand. Do not just blurt out questions.

Class discussions: Listen to your classmates. Raise your hand to speak.

Book bags: Leave your bags behind the risers. Do not bring your bag to your seat.

Turing in money: All checks and money get deposited in the safe in Mr. Wilkinson’s office.

Black folders: Keep your folder in good condition and keep track of your music! Or else!

Lost music or folder: Look around the room and in all of the cabinet slots. Ask students around you. Ask your teacher last.

Copy machine: This is for the directors only. Not for you to copy, or try to fix.

Evening rehearsals: Early is on time. On time is late. Don’t forget to sign in.

Lunch rehearsals: Come to the chorus room for the first 5 minutes of lunch. Don’t forget to sign in.

Chaperones & Parent Volunteers: Please verbally thank each parent volunteer after a trip or special event.

Concert Attire

Every chorus member is responsible for purchasing his or her own concert performance outfit at the beginning of the school year. Students must arrive at each performance completely dressed for the concert.

It is essential that all persons in a performing group dress and groom themselves uniformly. A student's jewelry, make-up, clothing, fingernails, and hairstyles need to be such as not to call attention to them as an individual. For example, if a student colors or styles their hair in a way that we think would call attention to them and away from the ensemble, then they should not expect to sing in the concerts. Remember, all of us must put the group first. If any student cannot afford the required concert attire, please inform a director and arrangements will be made.

Ladies

Tuxedo purchase is your financial responsibility. Students will be measured for their tuxedo in the first week of school. We will place an order during the first week of school in order for the tuxedos to be ready for the first performance. Please return all paperwork and payments in a timely fashion.

Women will wear a black concert dress and will be measured and fitted during the first few days of class. After being fitted, students will be given their dress size and ordering information. After School Rehearsals & Concerts

After school rehearsals are a necessary part of being in a successful high school chorus program. Students will be given ample notice for rehearsal. **TUESDAY NIGHTS ARE CHORUS NIGHTS.** We will schedule mandatory rehearsals as early as possible. CCSD attendance policies apply to after school rehearsals.

You must be at school for over 50% of the day in order to participate in an after-school activity! You must have a valid parent or doctor's note to miss rehearsal. An unexcused absence will reflect negatively on a student's grade. It is the student's responsibility to communicate with the director regarding an absence.

Show Choir and Bella Voce members meet regularly on Tuesday night.

- **Bella Voce: 6:00 - 7:30 PM**
- **Show Choir: 7:30 - 9:00 PM**

Students preparing for "Cabaret" will have many nights worth of rehearsals before their shows. **Attendance is mandatory at these rehearsals.** Please plan ahead! With ample warning, there can be no excuse for missing homework or doing poorly on an assignment or test for another teacher. Good time management skills are a necessary part of being a successful student.

Students who have jobs after school and on weekends **must** arrange to get off work for rehearsals and performances. It is the student's responsibility to contact their work supervisor or manager. When informed well in advance, employers will allow a student time off for a graded school activity.

Conflicts with Chorus

Resolving conflicts between chorus and other activities or events is the responsibility of the student. Rehearsal and performance schedules are given out at the beginning of the school year so the arrangements can be made for the entire year. Students should not become involved with activities that may directly conflict with chorus. If it is a situation that should only happen once, the student will need to consult with the directors about possible alternatives. Students should have a calendar and be aware of all chorus dates well ahead of schedule. It is a policy of the chorus directors to assist students when conflicts occur within the scope of the chorus policy. All conflicts with performances must be resolved in favor of chorus participation. **Work is not an excuse for missing any chorus activity.**

Attendance Policy

The only excusable absences are pre-arranged school conflicts, religious holidays, immediate family wedding or other activities preapproved by the directors.

The only emergencies that will be excused are severe illness or a death in the family. Individual needs will be addressed as they occur.

For all after school event absences, the student and parent must observe the following procedure. Failure to follow this procedure will result in a Performance No-Show. The mere filing of an **absence request form** does not constitute approval. This policy is cut-and-dry in regard to what is excused.

For Pre-Arranged Absences:

Pre-arranged school conflicts, religious holidays, immediate family wedding

1. The directors must be notified well in advance (two-week minimum) via email, phone call or conference.
2. In addition, an **absence request form** must be printed from the website, filled out, and submitted to the directors two weeks in advance of the requested absence.
3. The mere filing of an **absence request form** does not constitute approval. The director will then determine if the absence is excused or unexcused. **The student will receive a zero for their** any unexcused absence from a rehearsal or performance event.

For Illness or Emergency:

1. In a sudden illness or emergency, a parental or doctor's note must be submitted upon the student's return.
2. If the student is absent from school and there is a chorus event that evening, email the director to inform him or her of the absence and why. Submit a proper doctor's note upon your return to school.
4. Follow-up is the sole responsibility of the student!

Performance No-Shows: The student will receive a zero for their performance grade if they do not attend a performance. Performances and after school practices are 40% of the student's grade.

Grading

<u>Grading Scale</u>		Participation/Daily Grades.....	10%
100-90	A	Musical Knowledge.....	25%
89-80	B	Performance Skills.....	25%
79-70	C	Semester Concerts & Rehearsals.....	40%
69-60	D		
Below 60	F		

1. **Participation/Daily Grades 10%** The teacher observes students on the physical elements of singing, which include but are not limited to posture, head position, lip and vowel formation, facial expressions, breathing techniques, holding music, attention to the director, following instructions, and being prepared at the beginning of class with a pencil and music. Students must refrain from excessive talking during rehearsals and remain on task at all times.
2. **Minor: Semester Concerts and Rehearsals 40%** Major concerts will be given each term. All students must participate in the dress rehearsals, lunch rehearsals, and concerts in order to pass the class for that grading period. Students will arrive on time, already wearing their concert attire, and stay through the entire event. Rehearsal end times will be announced before the event so transportation can be arranged. Parents/families must see that the student gets to the appropriate place at the proper time.
3. **Major: Musical Skills: 50%**
 - **Musical Knowledge & Understanding 25%** Each student will demonstrate their knowledge of musical concepts through a variety of assessments (tests, quizzes, essays). These assessments will target the students listening skills and comprehension of music theory, musical terms and symbols. Students will also complete several written critiques of musical performances throughout the year.
 - **Performance Skills 25%** These assessments include vocal pitch exercises, sight-reading tests, excerpts from repertoire. These test the student's knowledge of the voice, the elements of music, music reading, and singing skills. Students will be asked to sing in large groups, small groups, and individually.

Placement Testing

Every May after the Spring Concert, each chorus student will take an individual singing test to determine his or her chorus class placement for the next school year. The audition will consist of four sections for a total of 50 points: prepared song (20 pts.), sight-reading (20 pts.), tonal dictation (6 pts.), and fourth quarter participation grade (4 pts). A packet of audition information will be posted on the chorus website and will also be distributed during class well in advance of the testing days. All 9-11 grade chorus members will take the placement test. No student is exempt.

Student Accounts

Through fundraising and sponsorships students may raise money specifically to go into their “student account.” This account money may be used for chorus trips and chorus fees.

If a student graduates without using the balance of their account, the money will be assumed into the general chorus operating fund. However, if the graduating senior has a younger sibling, the money may be transferred to their account.

Awards & Scholarships

Every year the chorus program honors graduating seniors and all Wando Chorus students at Spring Awards night.

The following awards will be presented at this event:

1. Most Outstanding Choral Student-at least one per choir class
2. Best Sight-Reader- at least one per choir class
3. The Quincy Jones Musicianship Award
4. The Fred Waring Director's Award
5. The National School Choral Award
6. The Marilyn J. Austin Scholarship Award
7. The DeWolff Family Scholarship Award

The **Most Outstanding Choral Student**

Some students go above and beyond what is required of them on a daily basis. Therefore, at the awards night at the end of the year, one student from each class will be named The Most Outstanding Choral Student. This person is an example of a positive, proactive, and passionate performer. This student leads the class by example- in all actions and all levels of musicianship. An Outstanding Choral Student carries themselves with pride, and treats all with respect.

The **Best Sight Reader**

Wando Chorus is known for its exceptional sight-reading abilities, and we achieve these abilities with especially gifted readers. These valuable singers work especially hard on their reading skills, and as a result are able to lead their section each day. One exceptional student from each class will be awarded the Best Sight Reader award at the awards night.

In his long career Quincy Jones has done it all as a composer, arranger, performer, producer and teacher. The **Quincy Jones Musicianship Award** honors outstanding students in chorus for their creativity and musicianship. They have boundless energy and musical versatility. Students that receive this prestigious award will be given a plaque at the awards night and their names will be engraved on the wall plaque that hangs permanently in the Wando Chorus room.

Fred Waring (1900-1984) was one of the leading choral directors of the 20th century. The **Fred Waring Director's Award for Chorus** recognizes the talent and enthusiasm of outstanding choral members. He composed and arranged music, and his choral group, The Pennsylvanians, spread the popularity of choral singing. Students that receive this prestigious award will be given a plaque at the awards night and their names will be engraved on the wall plaque that hangs permanently in the Wando Chorus room.

The **National School Choral Award** is the highest honor for high school choral performers. It recognizes the dedication and musical achievement of the top male and female choral students. Students that receive this prestigious award will be given a plaque at the awards banquet and their names will be engraved on the wall plaque that hangs permanently in the Wando Chorus room.

The **Marilyn J. Austin Scholarship** was established in 2006 by the Wando High School Chorus Music Boosters to honor Mrs. Austin, for her many years of service to Wando High School as Chorus director (1991-2006). Mrs. Austin believed that instilling a love of music in her students was the most important job of any music teacher. She also wished for her students to carry that love of music with

him or her to college and beyond. The Austin Scholarship recognizes the musical accomplishments of a senior member of the Wando Chorus program. The scholarship is for a one-time, lump-sum amount of \$1,000 payable to the college or university where the student will be enrolled.

Students who apply for the scholarship must be enrolled in a music major program at a four-year college or university, or must demonstrate that they will be involved in an official collegiate chorus/vocal ensemble.

The Grace Elise and Louis DeWolff Foundation Music Scholarship Award

Grace DeWolff was President of East Cooper Habitat for Humanity at its inception. Mr. DeWolff was a Board member of the Charleston Concert Association, where he worked to bring the arts to the stage both in music and dance. Mr. DeWolff spent many evenings with his children and grandchildren at concerts, and impressed upon them the need to sustain the arts in classical and contemporary music and dance. Louis and Grace spread philanthropic culture to their children and grandchildren, and with the establishment of the Grace Elise and Louis DeWolff Foundation, the DeWolff family is able to continue assisting local charities in our community.

In 2013 the Foundation established a \$2,000 scholarship in memory of their passion and devotion to the arts, specifically in the area of music. This scholarship is awarded to a student annually, based on their love of music, academic success, and passion to pursue the musical arts as a profession.

In order to apply for the scholarships mentioned above, students must meet the following minimum requirements:

1. Must currently be a senior in the Wando Chorus Program, with plans to graduate in the spring.
2. Have been a member of the chorus program at Wando for four years, or if a transfer student, must be enrolled at Wando for two years.
3. Have maintained an A average in their chorus studies.
4. Be in good standing with the administration at Wando.
5. Be in good standing with the Chorus directors.
6. Have no outstanding debts with the Chorus Booster Club.

Applicants must complete the following:

1. Application (available from chorus director)
2. Resume
3. Recommendation from an academic teacher

An audition recital will be held in the spring before a selection committee composed of the chorus directors and local musicians. Each applicant must perform two pieces of contrasting styles, with one preferably in a foreign language. At the audition, members of the audition committee are free to ask the students any questions they may have regarding the student's application and/or goals.

The winner will be announced at the Wando Chorus Spring Awards night. Upon confirmation by the chorus director that the student is in a music program and/or a Chorus ensemble, the director will authorize the Chorus Booster Club Treasurer to mail a check to the university or college where the student is enrolled.

Parents' Responsibility to the Chorus

How Parents Can Help

It is the responsibility of every parent and guardian to see that the policies outlined in the handbook are followed and that the **form in the back is signed and returned by 9/1/21**. This states that you understand the policies set within and that any questions are to be directed to the chorus director by making an appointment. Each parent is responsible for the attendance of his or her child at all chorus functions. The hands of the directors are tied without the help of parents.

When a chorus question arises, it is important that you get factual information before discussing it with others. We do harm to ourselves, the chorus family, when we talk about things that contain one or more falsehoods presented as facts. **If questions arise, it is important to remember this axiom: If it is a performance issue or anything dealing with the Chorus proper, contact the student's chorus director. If it is a fund-raising or booster club related issue, contact the booster club.**

- Show an interest in the musical study of your child.
- Read chorus emails and newsletter so that you know what is going on
